Director's Corner

Mother's Day is celebrated on the second Sunday in May. Mother's Day is a day to make Mom feel special.

Every day we watch our GCC moms bring in their children. Some say goodbye quickly with that hug and kiss, other moms may stay a little longer just in case their child might just need an extra hug before running off to play. I think some moms are even a little disappointed when all they get is "Bye Mom" from their child. No matter how your child leaves you to start their day either with a smile or a tear in their eye we always assure your child, "You will be back and Mom loves you."

Mother's Day Poem

Author Unknown

The kindest face I'll ever see,
The kindest voice I'll ever hear,
The one who cares the most for me
Is my own mother dear.

All through the year I'll try to do
The things that show my love for you.

And not be happy just to say,
"I love you, Mother," on Mother's Day

On behalf of Sherry and staff here at GCC we say thank you to our wonderful mothers for their continued support. Sharing happy times as well as concerns, sending us new friends and most importantly sharing your child/children with us. Hope you all have a wonderful Mother's day with your families. My mom just turned 91 and I am blessed to be able to share Mother's Day with her.

Muffins with Mom May 9&10

With overwhelming honor it is GCC's privilege to invite all Mother's and their GCC students to join us **Thursday or Friday morning between 7am and 9am, May 9 & 10** for "Muffins with Mom".

GCC appreciates all our Moms and it is our pleasure to pamper you and your GCC student and recognize all our Moms and all they do for us each day.

Our Sincerest Appreciation ♥

GCC would like to extend our gratitude to Mr. Brown, Lilly's Dad, for his time, labor and expertise in building two new shelves for us in our supply room. As many of us know, one of the best gifts is more storage!

Thank you, Mr. Brown for your generous gift. ♥

Summer and Fall Transitions

We will be starting transitions to the next age group in our program throughout the summer and into fall. Transitions are based on information discussed at parent conferences, your child's development, birthdates and enrollment space. You will be notified as to when the transition will take place. The staff at GCC work very hard in assessing your child so that they are getting the most out of every day for future learning success. Our Chancy and Bruce assessment results are very strong, as well as the information we are receiving from other programs as our Pre-K children are testing for entrance into Kindergarten. If you have any questions regarding your child's transition please see Mrs. Sherry or your child's teacher.

Please notify the Center Director if you are requesting changes to your child's current school schedule. Spaces are limited. We will do our best to accommodate your needs and wants. Thank you for sending your children to Geneva Children's Center.

Up, Up & Away "We Go" begins June 24th through Aug. 16th

Our vendors require a deposit prior to visiting our program for the summer. Vendor costs range from \$295-\$900 per program. We thank you for paying your summer fee now as stated in your Parent Handbook, page 11, of \$100 per child.

It is going to be a fun filled summer starting June 24th.

Reminder: GCC is a year around program so your children are already enrolled in the summer time program fun.
