July brought: Bubble Mania, Captain Carl, Dino Dig, Jungle of Smiles Dentist, and Mad Science. So much fun!

Director's Corner

"Imagination Creation" summer program is well underway and the children are enjoying all the events and activities. Please check out our Facebook® page for pictures of all the vendors that have come to GCC. Many of the art projects done by the children are probably decorating your refrigerators at home. The large group art projects will be on display at our "Blast From the Past" summer finale, Thursday night August 18th from 4-7pm. You will have an opportunity to see the pirate ship, the rocket ship, "Popcorn" the giant yellow snake and other creative art projects made by the children that were way "TOO BIG" to send home.

The GCC Board would like to thank all of you for paying your tuition by the first of the month and at this time the GCC Board is recommending the tuition rates stay the same. While we continue to keep tuition as low as possible a 30 day notice will be given if an increase should occur. If your child is transitioning to a new classroom, tuition rates may vary. Please contact Director Sherry at Geneva, in person or by phone 949-581-2200 if you have any questions regarding your statement. You will also be notified of any transitions into a different classroom on or before August 29th. Statements for September will be issued by the end of August for your review.

Thank you for your support as the GCC Board and staff continue to provide a quality program for your child/children.
