Director's Corner

Congratulations to our Pre-K students who recently participated in our 3rd annual "Movin' On" ceremony that was held June 16th. The 19 children "movin' on" from GCC will be entering either T-K or Kindergarten in the fall. We wish them all of God's blessings for future school success. We want to thank Mrs. May and Mrs. Benson for making this such a successful year.

Our Summer Program **Imagination Creation** is underway. Throughout July and August many transitions will take place. Some of our children will be transitioning to other classrooms as we accommodate their developmental growth. Best wishes to Mrs. May as she begins her "semi-retirement". Mrs. Benson, Mrs. Pam and Mrs. Felton will be leading the Pre-K program throughout the summer and Mrs. Amy has joined our team and will be teaching in room 1.

Mrs. Amy has an AA degree and an Early Childhood Education certificate. She has worked with other child care companies and has operated her own in-home day care program. Mrs. Amy is creative and energetic and happy to be at GCC. She is looking forward to sharing her teaching talents with all the children here at GCC.

Please join us for any of our special events that are being held this summer. See back page for a listing of summer events and times. If there is an event planned on a day your child does not attend school, you and your child are welcome to join us here at GCC. This is also a great time to invite a friend to come and check out our program. Call Sherry to schedule a tour at 949.581.2200. Refer to the summer calendar for additional special activities. It will be a summer of fun here at GCC.

**Have a Happy and Safe
