

## Director's Corner

**Congratulations** to our Pre-K students who recently participated in our graduation ceremony held on June 17th. The 10 children from GCC will be entering either T-K or Kindergarten in the fall. We wish them all of God's blessings for future school success. We want to thank Mrs. Kathy for making this year such a success.

Throughout July and August many transitions will take place. Some of our children will be transitioning to other classrooms. Please see class lists posted by each classroom or refer to letter sent by the Director for your child's new class.

Our Summer Program, *Up, Up and Away We Go*, is underway. Please join us for any of our special events that are being held this summer. If there is an event planned on a day your child does not attend school, you and your child are welcome to join us here at GCC for the event. This is also a great time to invite a friend to come and check out our program. Call Sherry to schedule a tour at 949.581.2200. Refer to the summer calendar for additional special activities. It will be a summer of fun here at GCC.
