*There will be a \$50.00 summer registration fee billed in May

*Just a friendly reminder that GCC is a year-round program so there is no tuition credit for vacation time taken during the summer program. If you choose to leave the program for summer without paying tuition, your spot will not be held, and a re-registration fee will be required to return if there is a space for your child. Please remember that a two-week written notice is required to disenroll from the program for any amount of time.
