

Director's Corner

"Imagine That" summer program is well underway and the children are enjoying all the activities. Please check out our Facebook® page to see the children experiencing the many different venues that have been a part of our summer program. Many of the art projects are probably decorating your refrigerators at home. The large group projects will be on display at our "Imagine That" end of summer finale, **Thursday night August 17th from 4-7pm**. You will have the opportunity to see the airplane, large American flag, storybook houses and many other fantastic projects that were way too big to send home.

We want to take this opportunity to say good-bye to our children who will be going into Kindergarten in Aug./Sept. We have so enjoyed having you as a part of our GCC family and wish you the very best as you transition into your new schools this coming year. New children will be joining GCC during the summer and into fall. We are excited to have them join the GCC program.

Many of our GCC children will be transitioning into new classrooms with new teachers, most of the transitions will start on Aug. 28th. Full tuition is due for the month of August and any new rates will begin on September 1st. Statements will be issued prior to September with any tuition changes due to a rate increase or reduction due to changes in days of attendance or hours. Please contact Mrs. Sherry, Director if you are interested in any changes to your child's current schedule. Changes will be based on availability.

Please mark your calendars, **GCC will be closed the week of August 21-25** for fall preparation. This is a working week for staff. **GCC will reopen on Monday, August 28th** to begin the 2017-18 school year. GCC is a year-around program and we close for fall preparation and major holidays only. Parents will receive a "School Closure Calendar" and a "Year at a Glance", curriculum guide for the upcoming year.

Thank you for your ongoing support. Please continue to tell your friends about GCC. You will receive one week free tuition after 60 days enrollment of a new student you introduce to GCC.

July fun included, music show, water day, science show, storytellers, parades, cooking, great snacks, fairy tales, magic beans, and much, much more!

Imagine That Summer Finale
