GCC Curriculum Utilizes the CA Preschool Learning Foundation Domains. All domains are touched on Monthly with our year rounded program which include:

- **Social Emotional Development**– Social Science and Health
- **History and Social Science**– Building needed skills to be part of a community
 - **Science**– Discovering our environment
 - **Language and Literacy**– Building Linguistic Skills
- **Visual and Performing Arts**– Enhancing Creativity and building an awareness of music from different cultures
 - **Mathematics**– Number relationship– Spatial awareness and patterning
- **Physical Development**– Strengthen basic movements, motor skills and balance
